T2S: Standard Settlement Instructions (SSI's) Italy

Dear Client,

As from trade date (t/d) 13 July 2017 and settlement date (ISD) 17 July 2017, ABN AMRO Clearing Bank N.V. (AACB) will become a Directly Connected Participant (DCP) in the Italian market moving from BNP Paribas Securities. A GO/NOGO decision is planned for 4 July 2017 and we will inform you about that decision in due course.

This migration to DCP entails that tax documentation, if applicable, will have to be renewed in line with the applicable rules and regulations. You have been approached separately to complete tax documentation if needed or to request local tax authorities to provide tax documentation for this new account setup.

Completion of the relevant tax documentation is important for the migration. When these documents are not yet in AACB's possession, please send these documents as soon as possible.

Failing settlements prior to or equal to t/d 12 July 2017 and ISD 14 July 2017 will be handled by BNP Paris Securities Services. Settlements with t/d 13 July and ISD 17 July 2017 will be settled via Monte Titoli.

Our Standard Settlement Instructions (SSI's) for the Italian market will change as per t/d 13 July 2017. Please find below our post migration SSI's for the Italian market. We would like to ask you to inform your counterparts about the changed SSI's.
