T2S: Wave 3 - migration of Euroclear ESES (Belgium, France and Netherlands)

Dear Client,

The Euroclear ESES (Belgium, France, and Netherlands), VP Securities (Denmark) and VP Lux (Luxembourg) markets will migrate to TARGET2-Securities (T2S) on 12 September 2016.

This newsletter is specifically related to the ESES markets.

An important change for Wave 3 is that the current ESES single operational account will be translated into three separate T2S accounts. In the new T2S account structure, we need the updated ESES SSI's from the affected ESES counterparties. Please liaise with them and send their new SSI's back to Account Management (aacb.csclearing@nl.abnamro.com), while also informing the counterparties of the new AACB SSI's (enclosed on page 2 and attached).

We also would like to inform you that AACB will participate in testing as from 9 July 2016. You can contact your Relationship Manager to participate.

In case you require any further information, please do not hesitate to contact your Relationship Manager.

Yours faithfully,

ABN AMRO Clearing
